

## SETO CLAYMORE HEADY+

The **SETO CLAYMORE HEADY+** impresses with its many possibilities for use. The included headband makes it ideal for maintenance and repair as well as for hiking or camping. With the intelligent holding device, it can be quickly converted into a headlamp, a ceiling light with hook, or even into a practical clamp light thanks to the additional clip.

In addition, the **SETO CLAYMORE HEADY+** has a 1/4" thread for attachment to commercially available tripods, which greatly extends the range of applications. The built-in Li-Ion battery supplies the lamp with power for up to 70 hours and is fully charged in 6 hours via the built-in Micro-USB connection. With a range of approx. 150 m the **SETO CLAYMORE HEADY+** is perfectly equipped.
